

Be Still

Words and music by Bill Yuhasz

You are my refuge when troubles are closely met  
will not be shaken when mountains are recessed  
And though the waters roar and pain is all I see  
all I can hear is

Be still and know that I am God

Be still and know that I am God

When darkness surrounds me and all I feel is fear

I see the living God - His arms draw me near

and then I realize that He holds the key

I am my saviors child cause He died for me

and all I hear is

Be still and know that I am God

Be still and know that I am God

You will be exalted in the nations You'll be exalted in the earth

The Lord of hosts is truly with us, because he loved us first

Be still and know that I am God

Were still, we know that You are God

Be still and know that I am God
